

Teal W. Ewer

Full Stack Software Engineer

Washington, DC | 229-921-8752 | tealewer@gmail.com | [Portfolio](#) | [LinkedIn](#) | [GitHub](#)

Full Stack Software Engineer with a flair for elegance and precision shaped by over a decade of experience as a symphony trumpet player and military musician. I bring an enthusiasm for learning and a determination for solving complex problems to any team.

SKILLS

- **Programming Languages:** JavaScript, Python, SQL, HTML, CSS, Markdown
- **Frameworks:** React, Django, Node.js, Alpine.js, Bulma, Bootstrap, Tailwind CSS
- **Databases:** MongoDB, PostgreSQL
- **Tools:** Git, GitHub, Express, Mongoose, Passport.js, Postman, Google OAuth 2.0, EJS, JSX, JSON, JWT

RELEVANT EXPERIENCE

Software Engineering Immersive | General Assembly | Washington, DC | January 2022 – April 2022

Successfully completed 480 hours of expert-led instruction in JavaScript, Python, React, Django, Node.js, and hands-on learning of full stack software development in the industry's most in demand technologies.

Developed projects, including:

- **Poker | Push or Fold** - Built with HTML, CSS, JavaScript, Bulma | [GitHub Repository](#) | [Deployed App](#)
 - Card based memory game that tests user's knowledge of preflop poker charts.
- **myLibrary** - Built with MongoDB, Express, Node, JavaScript, Bootstrap | [GitHub Repository](#) | [Deployed App](#)
 - Virtual bookshelf with full CRUD capabilities, utilizing Google OAuth 2.0 and Google Books API.
- **Mutant Games** - Built with MongoDB, Express, React, Node, JavaScript | [GitHub Repository](#) | [Deployed App](#)
 - A full stack MERN application for creating and joining video game lobbies. For this group project I worked as the Database Manager and Back-End Lead Developer.
- **Career Pioneer** - Built with Django, Python, Bootstrap, Git, GitHub | [GitHub Repository](#) | [Deployed App](#)
 - An organization and management tool for tracking the status of job applications. I was a Django/Python developer and Git Commander for this team project.

Musician | United States Marine Corps | Washington, DC | October 2017 – November 2021

Served as a bugler in "The Commandant's Own," The United States Marine Drum and Bugle Corps.

- Performed for 200+ military ceremonies in the DC area, serving as Ceremonial Bugler for Marine Barracks Washington and sounding taps for 100+ Marine funerals at Arlington National Cemetery.
- Awarded Navy and Marine Corps Achievement Medal for services as Ceremonial Bugler and funeral bugler.
- Tasked with planning, organizing, and executing training for both squad-sized and platoon-sized elements.

EDUCATION

General Assembly | Software Engineering Immersive Immersive | Washington, DC

Master of Music, Music Performance | Columbus State University | Columbus, GA

Bachelor of Music, Music Performance | Valdosta State University | Valdosta, GA
